

## Shoe Distribution in ZPHS Gachibowli, Ranga Reddy on 3<sup>rd</sup> October 2015

Rohit, once saw school children wearing no slippers and going to school, he felt very bad. He met the school principal and asked how many of the kids in primary section do not have proper slippers to wear, to his astonishment 90% of the children had not even a single pair of slippers to wear and they use to come to school bare foot. He then decided to gather funds and do a Shoe Distribution Program to distribute free shoes and slippers for ZPHS Gachibowli, Ranga Reddy.
