DEPARTMENT OF MECHANICAL ENGINEERING
Research Papers Published in Academic Year 2013-2014

S.No	Name of Authors	Title	Name of Journal/ Conference	Page No.
1	K. Ashok Reddy	Joining of Al and its Alloys by Fusion and Solid-State Welding Processes	National Conference on Latest trends in Mechanical Engineering	4-10
	P. Sampath			
2	Ravinder N	Remote Controlled Advance Mechatronics System	National Conference on Recent trends in Mechanical Engineering	11-14
	S.Suneel Kumar			
3	K Rajesh Kumar	Review of recent Advances Of a Hydrodynamic Study of two Phase flow in an Air Lift Loop	National Conference on Advance trends in Mechanical Engineering	15-20
	DRS Narsingh Rao			
4	J Sandeep	Effects of Tool Tip Profiles and Mechanical Properties On AA601 and AA7175 Friction Stir Welded Butt Joint	National Conference on Advance techniques in Mechanical Engineering	21-26
	C. NagaKumar			
5	J Sandeep	Simulation of open Die Forging of AL2100 Using Deform 3D	National Conference on Latest techniques in Mechanical Engineering	27-33
	DeeparagaVally			
6	S.K. Abdul Khadeer	Investigation Of the Suitability Of Hydrogen With Cottonseed Oil As Alternate Fuel For IC Engines: A Review	National Conference on Latest techniques in Mechanical Engineering	34-43
	B.Malathi			
7	V.Ramalingeshwar Rao	Investigation Of Thickness Of Slab in Composite Plane Wall Through Heat Transfer	National Conference on Recent techniques in Mechanical Engineering	44-49
	B.Ravinder Reddy			
8	P. Sampath	Optimization Of Process Parameters Of friction Stir Welding On AA204	National Conference On Emerging Techniques in Mechanical Engineering	50-53
	K. Rajesh Kumar			
9	J. Emeema	Thermal Analysis Of Rectangular plate Perforated Pin	National Conference On Recent Emerging Techniques in Mechanical Engineering	54-59
	C. NagaKumar			
10	J. Emeema	Latest Technology for recovery reutilisation of heat energy and reduction of exhaust gases in IC Engines: A Review	National Conference On Innovative Techniques in Mechanical Engineering	60-63
	Lakshminarayan			
11	P. Sampath	Investigation and effects of Sand Composition on Quality in Shell Moulding	National Conference On Advances in Manufacturing	64-68
	J. Sanddep Kumar			
12	G.Sreeram Reddy	Finite Element Analysis on 4 Wheeler Composite Disc Brake Materials by Using Ansys with Reverse	National Conference On Latest Techniques in Manufacturing	69-73
	V.V. Satayanarayana
