

THE VOICE: News Letter March 2018

With the onset of March, here we are with a colourful splash of placed students of VJIT. The journey just began and will go on throughout. More than 200 students of VJIT are already placed in several reputed companies and many more to go.

Placement Drives

Our students participated in the **Talentio** campus drive on 15th February, in which 4 students were selected. We had a good experience with the entire recruitment team. This drive was followed by **Integrhythm** drive, in which three students of CSE department got selected.

With Integrhythm team

On 19th February we hosted a pool drive for **Cranesvarsity Software**, where four of our students got shortlisted. **Qspider** drive took place on 23rd February. 9 students were selected from different departments from the same. We are happy to announce that our students got a chance to showcase their talent in the first round of Rockwell Collins drive on 27th February, in which D. Sri Laxmi of ECE department got selected with a good package and started working.

Our students participated in the off campus drive of **HRH Next**, in which four students from EEE department, 1 from Civil department and another 1 from CSE department got selected and started working.

Sentini Geosol pool drive opened up a job opportunity for one of our CSE student.

Activities

- We signed an MOU with Stratford University, USA. Ms Maria was here with us for the same.

Director Sir with Ms Maria

- An event was conducted for Toast Masters' for the first time ever at VJIT campus with a proposal of a VJIT Toast Masters club

With ToastMasters team

ToastMaster Siddharth addressing our second year students

- We were privileged to organize a workshop by **Impact** on MS Excel for the MBA students.
- Our students attended a session of **Iprimed**, arranged at the campus.
- Women's Day was celebrated in a grand way this year. We named it **VJIT Pinkathon 2k18**. We started with a rally followed by competitions and indoor celebrations,

Women's Day Celebrations

Industry Visits

- Dr. Siddhartha Ghosh, head of Placements and Prof. of CSE recently visited **Technolutions**, an IT company located at Madhapur.
- Another visit was at Digital Lync, Gachibowli, by Dr. Siddhartha.

With the best wishes of Ugadi from the Training & Placement Cell of VJIT, we move forward to the journey of making careers for our students.
