

The VOICE: News Letter of September 2016

GREETINGS FROM VJIT PLACEMENT CELL

From the Desk of :

Dr. Siddhartha Ghosh, Professor CSE,
Head Training & Placement.

We have taken this initiative to publish our monthly E-News Letters named VOICE, for updating all stake holders (management, departments, staff, students, alumni and recruiters with the monthly activities (recruitment, training, alumni achievements etc.,) happening as part of placement cell initiatives. We hope, soon this news letter will be full of success stories of our students. We will try our level best to create the maximum opportunities for VJIT students. Students are encouraged and suggested to improve their skills, read news papers, participate, construct and communicate. I always feel, together we can and we will. Will conclude my first message with – Miles to go before we sleep.
