

The VOICE: News Letter of October 2016

Training and Placement Cell, VJIT, Hyderabad

DYNAMIC PLACEMENT CELL

From the Desk of:

Dr. Padmaja, Principal, VJIT

At this juncture I would like to appreciate the strenuous efforts of the entire placement team for their tireless effort and hoping that it would be able to meet the vision & mission of the placements in the coming academic year 2016-17. The institute has 28 MOUs with reputed institutes & industries. A new initiative has begun this year, of providing additional training to students not only on soft skills and aptitude but also on domain knowledge. The main objective of the institute is to guarantee 100% placement for all the eligible students.

Make yourself interview ready with the most common questions.....
