A Route Map to Success

Date 10/10/2020

Business Plan - Route map

- Written document describing all relevant internal and external elements and strategies for starting a new business.
- It is often an integration of all functions like marketing, finance, human resource and production. Screen Recorder
- The business plan or game plan or road map - answers the questions like, where am I now? Where am I going? How will I get there?
- Potential investors, suppliers, and even customers will request for a business plan.
