Letter of Intent

04 November 2019

Ganduri Shesha Sai
Vidya Jyothi Institute Of Technology
Hyderabad

Dear Ganduri Shesha Sai,

We are pleased to inform you that you have been provisionally short-listed for employment as "Software Engineer Trainee".

We will keep you posted with respect to the start of the training programme, wherein you will be commissioned to attend the Foundation Training Programme (FTP) at our Hexaware office in Chennai.

During the training period you will be entitled for a stipend of Rs.15000/-pm for the period of 6 months and on successful completion of your training you will be paid a salary of Rs.3.00 Lac per annum.

You are required to sign a service agreement for a period of 3 years before the start of training programme.

You will receive a formal letter of appointment (on probation basis) with all the terms and conditions post joining the organisation.

As a token of your acceptance, that you have read and understood this Letter of Intent, please send in your confirmation to campusconnect@hexaware.com confirming your interest in joining Hexaware.

Yours faithfully,
For **HEXAWARE TECHNOLOGIES LIMITED**

October 29, 2019

To

Manasa Sama
Hyderabad.

Dear Manasa,

We take great pleasure in inviting you to be an integral part of Rubicon Red Pvt Ltd. With reference to the discussions that we had with you, we are pleased to offer you an appointment as "Associate Engineer" with Rubicon Red Software India Private Limited, ("Company") with a CTC of Rs. 3,80,000/- (Three Lakh and Eighty thousand only/-) per annum. This offer will be in force once you have finished your engineering degree. Your compensation structure is detailed as below in Annexure-A.

In the interim and in discussion with your institution you are expected to join Rubicon Red as an intern. Your tentative date of joining with Rubicon Red as an intern is on **2nd December 2019**. This internship is expected to last till **May 2020** and during this period, you would be eligible to get a stipend of Rs. 20,000/- (Twenty Thousand only/-) per month. All the terms and conditions of your employment contract will be in force during your internship.

You are requested to carry this appointment order with you on the date of joining.

The terms and conditions of your appointment are as follows: -

1. APPOINTMENT AND REPORTING

You are required to join on or before **2nd December 2019**. The terms and conditions of your appointment shall be effective from your date of joining. In the event you do not join on or before the above mentioned date, this appointment order stands nullified unless the joining date is extended in writing by the company. Your appointment is valid, subject to reference check.

2. TAXES

You shall be solely responsible for paying any taxes, direct or indirect, state or local, whether payable in India or elsewhere which may result from the remuneration payable to you. Any payment made to you shall be subject to tax deduction at source under the Income-tax Act, 1961.

3. PROBATION & TERMINATION

- a) You will be on probation for a period of six (6) months from the date of commencing work, but if the management is not satisfied with your work and conduct, your services shall be liable to termination without notice at any time during or on completion of the probation period. This period of probation will be liable to such extension(s) as the management may deem fit in its sole discretion and unless an order in writing confirming you is given you will not be deemed to have been made permanent. During the probationary period, should you wish to terminate your service, you may do so by giving one-month notice.
- b) After confirmation as a permanent employee, your services may be terminated by either party giving the other two months' notice in writing and two months is mandatory serving period. Leave is not permitted during notice period. The Company may immediately terminate your services without any compensation or notice thereof if you are in breach of your responsibilities.
- c) Your employment may be terminated forthwith if you are held guilty of any offence involving moral turpitude.
- d) Upon termination of your employment, you (or your legal heirs as the case may be) shall immediately return to the Company, any and all documents, manuals, documented confidential information (without making any copies thereof and/or extracts there from), kits and other property belonging to the Company that may be entrusted to and/or placed in your possession by virtue of and/or during the course of your employment with the Company. You (or your legal heirs as the case may be) shall also hand over to the Company immediately all notes, analyses, summaries and working papers relating to the Company's technology.

Thammali Sindhu

**Flat- No: S5, Surya Apartments, Bhagyanagar colony, Opposite KPHB, Kukatpally, Hyderabad, 500072.
Hyderabad, Telangana 500072**

Dear Thammali:

I'm delighted to offer you a role at Cisco, where you'll be joining 70,000+ people who change the way the world works, lives, plays, and learns! But our edge doesn't come from our world-changing technology, it comes from our people. People just like you.

If you decide to join us, we offer something exceptional – it's called Our People Deal. It is all about what Cisco will offer you, and what we ask of you in return. Below you'll find the beginning of what Cisco has for you.

We're offering you a position as a **CONSULTING ENGINEER**, Grade Level **004** in **123 - Cisco Systems (India) Private Limited**. You'll report to me, **Vipin Thomas - vipthoma@cisco.com** and you'll start in our **Bangalore, Karnataka, India** office.

When you'll start

We're planning for you to start on **03-Aug-2020** (Start Date). If this date won't work for you, please email me (**Vipin Thomas - vipthoma@cisco.com**) with the date you prefer and we can discuss options. You just need to make sure it is at least two weeks after we receive all your signed documents.

What Happens Next?

Please let us know your response to this offer by **24-Apr-2020** by either accepting this offer or contacting your recruiter or me to discuss.

If you accept the offer, you'll get access to our hiring portal, "My Documents Space" where you'll find more about what you need to get started on your Cisco career journey.

Get in touch if you have any questions. Reach out to me personally, or your recruiter, who is also a great source of information. It's been a pleasure getting to know you, **Thammali**. I look forward to having you on our team!

Welcome to Cisco!

Subject: Internship Offer

Dear Ms Nikhila,

This has reference to the discussions you had with us for the Research Associate opportunity with Antal International Network. We are pleased to inform you that you have been selected initially as an Research Associate – INTERN. During your *fulltime* internship, you will be paid a stipend of INR 6,000/PM. Any decision regarding your confirmation to a full time role will be based on your performance during the internship period.

Please note that your performance will be reviewed at the end of your internship period (May 2020) and if you meet the performance expectations for your role, you would be hired as Research Associate and your fixed annual compensation as a full time employee will be INR 2,40,000/PA.

Kindly note that any leave(s) availed during the internship period will be treated as a Loss of Pay. However you will be entitled for leaves as per the company policy on confirmation of your employment.

You are required to report for work on **Wednesday, 19th Feb 2020 at 9:30 AM** at the address given below and the opportunity stands withdrawn thereafter, unless the date is extended by us and communicated to you in writing.

Address: **Lowen International Business Center, Vashnavi Cynsure, Block A&B, 2nd Floor, Survey No 18, Cyber Hills, Gachibowli, Hyderabad 500032, Telangana, INDIA.**

This offer is subject to the condition that you are not involved in any criminal / employment related cases either disposed or pending before any court of law. All matters pertaining to your offer and compensation are strictly confidential and it should be treated as such. We welcome you to ANTAL and look forward to a mutually beneficial association.

Best Regards,

INTERNSHIP OFFER LETTER

Date: 22nd August, 2019

Dear Kaipa Uday Kumar Reddy,

Congratulations! You are hereby officially notified of our desire to offer you an internship with Techolution. The title and terms of the position being offered herein are described below. This offer, if signed by you, shall be considered as an agreement ("Agreement") between yourself and Techolution.

We are delighted to offer you an Internship position as an IoT - Intern at Techolution commencing date 3rd September, 2019. For the purpose of this Agreement, you will be referred to as "Intern".

1. **Effective Date:** Your internship will begin on 3rd September August, 2019 and end on 3rd December, 2019. The duration of the internship can be adjusted based on mutual agreement.
2. **Time Commitment:** You are committing to 30 hours per week. There will be no leaves during the internship period. Should you require time off, please let us know as far in advance as possible on the details of your planned leaves. These leaves will be subject to the manager's approval.
3. **Salary/Stipend:** INR 12,000 per month
4. **Work Location :** Hyderabad
5. **Intern Code of Conduct:**
 - a. Intern will maintain a regular internship schedule determined by the Intern and their Supervisor.
 - b. Intern will demonstrate honesty, punctuality, professionalism, cooperative attitude, appropriate business attire and a willingness to learn.
 - c. Under no circumstances will the Intern leave the internship without first conferring with her/his supervisor.
6. **Rules of Internship:** The Intern is required to observe, follow and abide by all Techolution rules and regulations identified in this Agreement or communicated to Intern by his or her Techolution hiring manager. If Intern has any questions regarding any regulation, including but not limited to consideration of a potential conflict of interest or adherence Techolution's business and ethical code of conduct, Intern is required to immediately notify his or her Techolution hiring manager. Deliberate or inadvertent breach of any rule or provision, as stated in this paragraph, is a basis for termination of an internship or other form of disciplinary action.
7. **Protection of Confidential Business Information:** Techolution and the Intern acknowledge that:
 - (i) Techolution's business is highly competitive;
 - (ii) the essence of that portion of Techolution's

Date: 26th Aug'2019

Dear Mr Bandi Hemanth Srujan,

Following our recent discussions, we are delighted to offer you the position of Soc Verification Intern with SION Semiconductors Pvt Ltd, Hyderabad. At SION we have a fast-paced and dedicated team that works together to provide our clients with the highest possible level of service.

As a member of SION team, we would ask for your commitment to deliver outstanding quality and results that exceed expectations. In return, we are committed to providing you with every opportunity to learn grow and stretch to the highest level of your ability and potential. We are confident you will find this new opportunity both challenging and rewarding.

The following points outline the terms and conditions.

Title: DV Intern

Effective date: October (Tentatively) 2019

Duration: 06 Months

Hours of work: 40 Hours per week

We look forward to a long and fruitful association with you.

Sincerely,

Shaestha Shamrin B

Director

With the signature below, I accept this offer for employment.

INTERNSHIP EXPERIENCE LETTER

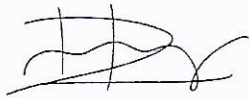

This is to certify that **Ms. Koruboina Sai Latha** from “**Vidya Jyothi Institute of Technology**” has successfully completed a Winter Industrial Training and Internship Program on Embedded Systems and IoT conducted from 25th November 2019 to 10th December 2019.

The student has gained introductory experience on following technologies:

- Embedded Systems using PSoC Platform
- Cypress Semiconductor based Programmable System on Chip
- Embedded System Programming using PSoC Creator
- Communication Protocols in Embedded Systems
- Internet of Things using PSoC ESP8266
- Wireless Communication using PSoC BLE

During her internship with Eduvance she has handled her responsibilities ably and her performance has been found to be **satisfactory**.

We wish her success for all her future endeavors.

INTERNSHIP EXPERIENCE LETTER

This is to certify that **Mr. Lokesh Sangem** from “**Vidya Jyothi Institute of Technology**” has successfully completed a Winter Industrial Training and Internship Program on Machine Learning using Python conducted from 25th November 2019 to 10th December 2019.

The student has gained introductory experience on following technologies:

- Basics of Python Programming
- Advanced Python programming concepts
- Data Analysis with Pandas Dataframe
- Data Visualization Techniques using Python
- Machine Learning techniques with Python Scikit-learn package
- IBM Watson and Machine Learning deployment on IBM Cloud

During his internship with Eduvance he has handled his responsibilities ably and his performance has been found to be **very good**.

We wish him success for all his future endeavors.

INTERNSHIP EXPERIENCE LETTER

This is to certify that **Mr. Morampudi Sandeep** from “**Vidya Jyothi Institute of Technology**” has successfully completed a Winter Industrial Training and Internship Program on Machine Learning using Python conducted from 25th November 2019 to 10th December 2019.

The student has gained introductory experience on following technologies:

- Basics of Python Programming
- Advanced Python programming concepts
- Data Analysis with Pandas Dataframe
- Data Visualization Techniques using Python
- Machine Learning techniques with Python Scikit-learn package
- IBM Watson and Machine Learning deployment on IBM Cloud

During his internship with Eduvance he has handled his responsibilities ably and his performance has been found to be **excellent**.

We wish him success for all his future endeavors.

Mr. Dilip Balasubramanian,
Senior Training Manager, Eduvance

Date of Issue: 7 January 2020

INTERNSHIP EXPERIENCE LETTER

This is to certify that **Ms. Dandu Rajasri** from “**Vidya Jyothi Institute of Technology**” has successfully completed a Winter Industrial Training and Internship Program on Embedded Systems and IoT conducted from 25th November 2019 to 10th December 2019.

The student has gained introductory experience on following technologies:

- Embedded Systems using PSoC Platform
- Cypress Semiconductor based Programmable System on Chip
- Embedded System Programming using PSoC Creator
- Communication Protocols in Embedded Systems
- Internet of Things using PSoC ESP8266
- Wireless Communication using PSoC BLE

During her internship with Eduvance she has handled her responsibilities ably and her performance has been found to be **very good**.

We wish her success for all her future endeavors.

Mr. Dilip Balasubramanian,
Senior Training Manager, Eduvance
