Aziznagar Gate, C.B. Post, Hyderabad-500 075

Guest Lecture

Department: Electronics and Communication Engineering
Semester: I

Date: 23/08/2017

Activity: Guest Lecture	
Name of the speaker	Mr. M. Rajendra Prasad
Designation	Assoc. Prof in ECE
Institution/University/Organization	Vidya Jyothi Institute of Technology
Title of the seminar/Guest Lecture	Real time Embedded systems and IoT
Date & Time	23/08/2017 at 10:00am
Venue	III Floor Seminar Hall in VJIT
Beneficiary	Staff and Students of III and IV B.Tech.
Topics	ARM, Cortex, FPGA, microprocessors, Telecomm- -unication, Automobiles, IoT-Smart Energy Grid, Asset tracking system, Car parking system

Speaker:

M. Rajendra Prasad

Faculty In-Charge

CIRCULAR

All the II, III & IV Year students of civil engineering department are hereby informed that there will be a technical talk on **“Interactive effects of air pollution and climate change on forest eco-system”** which is being organised by Civil Department on 07/10/2017. So we request all the students to be there at 1:30 pm in seminar hall.

Murali Krishna KVSG

Professor of Civil Engineering at University College of Engineering JNTUK, Kakinada
KVSG Murali Krishna, though born and brought up in a village in India and studied in municipal schools in Telugu medium till his Intermediate, wrote 24 books - general and technical books all in English, followed throughout the world. He has addressed people of all walks of life in the nooks and corners of the country from Mumbai to Kolkata, from Kanyakumari to the Himalayas and outside - Singapore, Thailand, Sri Lanka, Maldives, Hong Kong, Macau, Vietnam and Cambodia; Indian Institute of Science, Bangalore, IITs, NITs, IIITs, Universities, Industries, Religious centers like TTD, Tirupati and Annavaram Devasthanams; Training centers like Vivekananda Kendra, Kanyakumari, Dr. MCRHRD, Hyderabad on various topics such as Nation Building through Personality Development, Self excellence and Career planning, Art of parenting, Soft skills and employability skills, Life Skills for Excellence in Management, Environmental education and awareness, Eco Tourism, Carbon Credits, Pollution control and Environmental management, through Seminars /

Workshops / Webinars.

Number of Countries visited : 09 Total Number of Books authored : 24

Seminar/Workshop Proceedings : 05 Total No. of Papers published : 69

International Journals: 13, National Journals: 09, International Conferences: 10, National Conferences: 37

GUEST LECTURE REPORT

ON

“INTERACTIVE EFFECTS OF AIR POLLUTION AND CLIMATE CHANGE ON FOREST ECO-SYSTEM”

-07 October 2017

Department of Civil Engineering had organized a guest lecture on Interactive effects of air pollution and climate change on forest eco-system for the students of B.Tech II,III &IV Year Civil Engg Dept in Block-C, Seminar Hall, on 07 Oct'2017. The Speaker for the lecture was Prof. K.V.S.G. Murali Krishna, JNTUK.

In his lecture Prof. Murali discussed the changes in environment from state to state which influence the process of construction. He also gave many examples and challenges in the world due to pollution. He shared his own experiences on how and why we can no longer just rely on the old method that undermined the effects on environment. As per him, this methodology is to consider the idea of sustainable development as well as to avoid harm to surrounding environment. He also mentioned that it will be more difficult to manage in the future if we still continue in the old methods. This requires detailed knowledge of the process, effective planning, integrity and close coordination among the organizations executing the work. Later the seminar is continued by question and answers.

Sir,

We will be thankful for addressing 2nd year students of ECE on "Impact of transforms in engineering" on 27-07-2017. Your lecture on Impact of transforms in engineering has really broadened the knowledge of the participants. Please accept our appreciation for such a commendable job.

Thanking You

Industrial Visit Organized
By
Department Of Computer Science & Engineering

Industrial Visit to Infosys Limited

Students' industrial visit to get the insight of the internal working and career opportunities in the IT Industry.

About Infosys:

Infosys is a global leader in consulting, technology, and outsourcing and next-generation services. We enable clients, in more than 50 countries, to stay a step ahead of emerging business trends and outperform the competition. We help them transform and thrive in a changing world by co-creating breakthrough solutions that combine strategic insights and execution excellence.

Date & Time : 15-09-17, 9.00 AM from VJIT Campus
Venue & Place of Company : INFOSYS, Ghatkesar campus Hyderabad.
Duration : 1 Day
Faculty Members :
Mr. Abdul Majeed, Assistant Professor
Mr. Y Praveen, Assistant Professor
Total Number of Students : 60

VJIT, Department of Computer Science and Engineering and INFOSYS Campus Connect had organized an industrial visit for 60 students of the CSE who were accompanied by two of the faculties of the department on the 15th September 2017. The visit was to the Infosys Electronic city campus, Ghatkesar, Hyderabad. The visit started in the early hours of a working day by the college bus. The group was received by Vishnu Kumar Infosys Campus connect Admin and directed us to an auditorium where Mr. Anoop Singh ETA Principal In charge of Campus Connect program, Infosys Limited gave briefing about history and formation of Infosys through a video presentation. After the presentation was over, Mr. Anoop Singh gave a session on industry expectation and skill requirements for the student's campus placement. It was very insightful for the students.

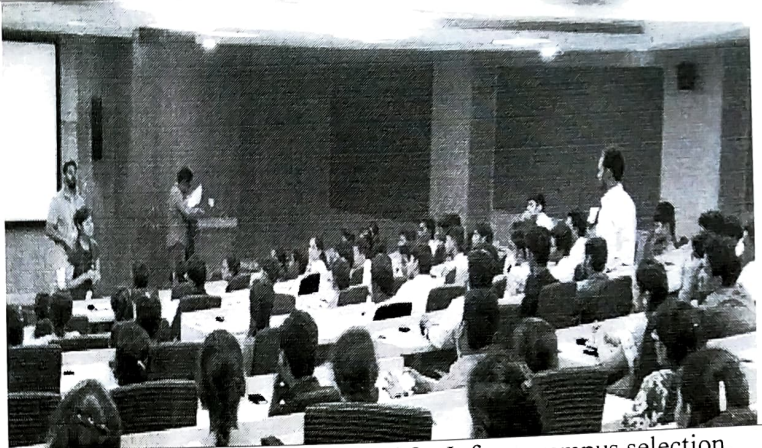

Talked about Big data and Hadoop technology. She covered topics like What is Big data and its application, History of Hadoop, HDFS, Hadoop framework, and MapReduce. The presentation was an eye opener for students.

A. Praveen

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING ANDROID CLUB ORGANIZES

Day: Saturday **Date:** 23rd & 30th December 2017 **Duration:** 9:00am to 3:45pm

AIM: To develop applications in android operating system with practical implementation and begin managing our own cool applications like a professional at this 2-Day workshop. Attendees will be provided with instructions to build and manage new cool applications. What's more you can even sell out these application and earn good money.!

OVERVIEW

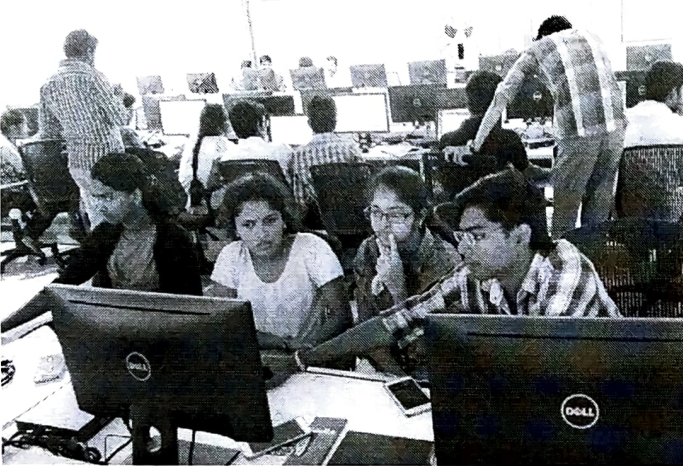

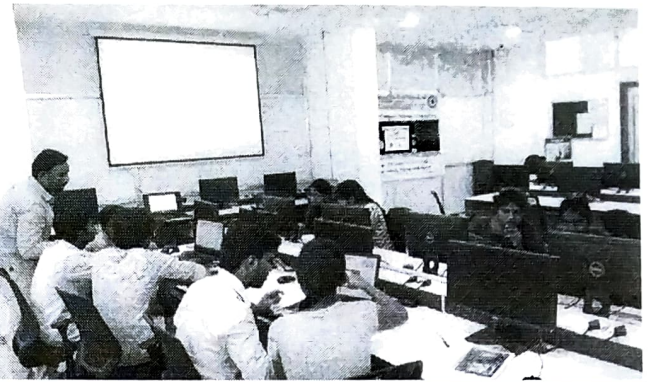

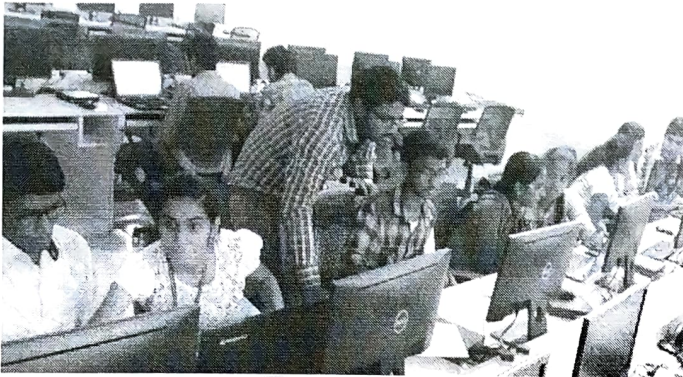

There is hardly anything that we cannot do with the help of mobile apps. Mobile apps have changed the way we do business, socialization, and get entertained. Mobile app developers have all the tools required to come up with innovative apps and help shape the global economy. With this intention CSE Department at Vidya Jyothi Institute of Technology has organized A two day workshop on “**Android App Development**” for II & III B.Tech students has been organized by DSC under Android club of VJIT-CSE students on two consecutive Saturdays i.e on 23rd & 30th December 2017, mainly focused on how to use Android OS for building our own Android Application. Only the basic knowledge of programming is required for **Android App Development**, we do not have to be a geek for it! The workshop started from the basics like designing layouts and building complex layouts. After the basics of Android were done we began with building Apps.

The duration of the workshop was two consecutive Saturday, with eight hours session each day in a total of sixteen hours, properly divided into theory and hand on practical sessions. At the end of this workshop, a competition has been organized among the participating students where each participating student got Certificate of Participation and the Winners got Certificate of Merit.

Sub: A Seminar on "Web Services" on 03-11-2017.

Respected Sir,

It is proposed to conduct a Seminar on "Web Services" on 03-11-2017. This Lecture will provide knowledge about Web Services Components and implementation of the services. This will be helpful for students in bridging gap between curriculum and Industry perspective.

Thank You.

Department of Mechanical Engineering

Activity Report

Name of the activity: Workshop

Title/Topic: WELDING SIMULATOR

Resource persons/Guests: Mr Sanjay Hubli Regional Manager, Mogora Cosmic Pvt Ltd, Pune

Date: 16 September 2017

Keypoints:

Welding simulator , TIG Welding, Weld Torch, Earth connections, Arc Gap

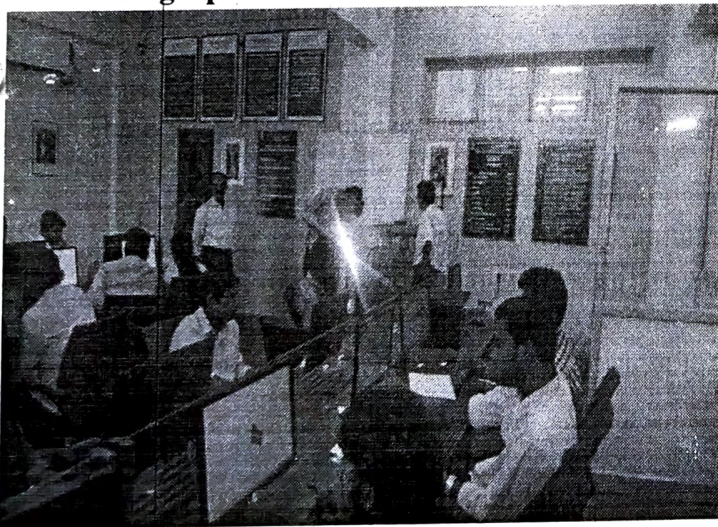

Summary:

The demonstration encompassed different Arc welding Techniques. In this TIG welding techniques has been taken for demonstration in detail. This method enabled the students to perform the welding operation easily. The difference in arc lengths maintained by the members during welding was evaluated and given in the form of a output in percentage of deviation. This technique helps to a greater extent to train and enhance the skill of welding manually.
