Anurag University: Ready to make tomorrow

Anurag is a name that is widely recognized today for providing quality education and as the beginning of a bright future. The journey of Anurag University began over two decades ago, in Hyderabad, when a visionary leader Dr. Palla Rajeshwar Reddy, established Lalitha Degree College in 1998. Shortly thereafter, he pioneered further expansion into education with the establishment of CVSR College of Engineering in 2002, Lalitha College of Pharmacy in 2005, eventually integrating CVSR, Lalitha degree and pharmacy colleges into Anurag Group of Institutions in 2010. In 2020, Anurag Group of Institutions was deemed a private university with its institutions shaping the future of thousands of students each year.

Around the world, accreditations provide credible recognition of the quality of education of any institution. At Anurag University, all the B.Tech. and B.Pharm. courses are accredited

by the NBA along with accreditation with an 'A grade' by the NAAC. Anurag University tops the list of Telangana's private institutions and is ranked 190th in engineering, in the 76-100 band in pharmacy, and in the 151-200 band in the overall category in NIRF 2020 Rankings published on their website.

Today, Anurag University offers 14 undergraduate, 13 postgraduate and 9 doctoral programs in Engineering, Pharmacy and Management. In a rapidly changing world, AU has been at the forefront of preparing the professionals of tomorrow. With it being the first to offer emerging courses like AI and ML, Data Science and Systems Engineering. At the same time AU is preparing its

future expansion in education, with plans to introduce the schools of liberal arts, agricultural science, medicine, law and journalism in the near future.

Along with the exceptional training it AU provides its students, it also plays a vital role in providing a platform for them to build their future. Over the years, AU has consistently placed students at some of the largest companies across multiple industries. With over 150 recruiters on board, the university has a notable placement record. As per the university the highest offer was 7.2 LPA. Furthermore, the University collaborates with various institutions for research and development projects with MOUs with hundreds of software and

core companies. All a part of its efforts to bridge the gap between industries and the institution. With the association extending into industry experts giving guest lectures, facilitating interactive workshops, seminars, brain-storming sessions, technical discussions, etc.

The faculty is the backbone of any university with Anurag University having over 400 professors, including over 100 doctorates. All the faculty members

are trained continually to industry-leading standards and to deliver outcome-based education (OBE). All this is possible under the able leadership of Dr.U.B. Desai, Chancellor, who brings to bear over 40 years of rich experience in teaching, research and administration at various global institutions, including as the founding director of IIT, Hyderabad. Dr. S. Ramachandram, the Vice-Chancellor, is another luminary a part of AU's academic leadership. With

Dr. Palla Rajeshwar Reddy, the founder of the Anurag Group, is a visionary in building the educational ecosystem of Telangana and erstwhile Andhra Pradesh for more than two decades. He did his M.Sc. and Ph.D. from Osmania University and started his academic career as a faculty. Dr.Reddy had started Anurag Group in the year 1998 with few UG and PG courses in basic Sciences and Humanities and later added to its engineering, pharmacy, and management courses providing quality education to over 20,000 students. Dr. Reddy with his dynamic leadership and vision has been successful in catering to the needs of students. He turned his attention to politics in the year 2014 to serve a greater section of people with his passion and commitment.

over 35 years of experience in teaching, research and administration in multiple well-reputed education institutes all over south India, including as the VC of Osmania University. Joining them in the leadership team is Dr. S. Sameem Fatima with over 37 years of experience in teaching, research and administration in Osmania University, University of Hyderabad, BITS and UMSS at Amherst, USA.

AU offers world-class infrastructure, with a 65-acre campus and 10 lakh sq. ft. of built up area, that is vast and inspiring and has provision for hostels for all its students. These, along with a range of facilities, all geared towards achieving its goal of nurturing every student to enable them to make a significant impact on the future.
