Syllabus is sufficient to bridge the gap between industry standards /current global scenarios and academics.	Availability of reference material	The pre-requisite courses are appropriate for this course	The course content satisfy the needs of follow-on courses in further semesters	The electives offered are relevant to the specialization streams and to the technological advancements	The programme and curriculum is enriched as compared to similar programme offered by other reputed Institutions	The designed experiments stimulate the interest of students in the subject and deepen their understanding through relating theory to practice (Experiential	The Laboratory enables to develop experimental, design, problem solving and analysis skills of the students.	Mapping of COs to POs	Overall Rating	Suggestions, if any

NO

Thanks

Note: OE doesnt have lab

Course should have experimental methods to prove their content. Lab is necessary.

Ok

Kinematics and dynamics lab can be included in the curriculum.

Vidya Jyothi Institute Of Technology Mail - Fwd: Employer's Survey on our graduates employed in your organization

We require your feedback on the quality of our graduates employed in your organization. The purpose of this survey is to assess and evaluate the extent to which they meet your demands as well as our prescribed graduate attributes and Program Educational Objectives. We seek your help in completing this survey. Your response is a key part of our efforts for continuous improvement of the quality of graduates from our Institute.

Request you to kindly fill the attached document by EOD today.

Thanks & Regards,
Shikha Kaushal- 812-5390-491
Manager, Campus Recruitment and Industry Relations
