REPORT

Women’s day celebrations were successfully conducted on 08-302020, as our principal madam is an inspiration for us working since so many years in our college. Posters of all the female staff was posted on wall for inspiration different programs was conducted for the encouragement of female students. Women’s rights and gender equality are taking centre stage in 2020. The Generation Equality campaign is bringing together people of every gender, age, ethnicity, race, religion and country, to drive actions that will create the gender-equal world we all deserve.

Together, we want to mobilize to end gender-based violence; we are calling for economic justice and rights for all; bodily autonomy, sexual and reproductive health and rights; and feminist action for climate justice. We want technology and innovation for gender equality and feminist leadership.

Small actions can have big impacts in making this vision a reality.

REPORT

Name of the activity: Spiritual Retreat organized by VJIT NSS and International Heartfulness Centre.

Title/Topic: Spiritual Retreat “Designing destiny through heartfulness”

Resource persons /Guests: Director and Principal Date: 7th to 9th February 2020

Key points/highlights:

- The purpose of a spiritual retreat is to temporarily leave behind the usual distractions to allow relaxation and for an inner change to occur: the ongoing conversion of heart that is critical to deepening faith.
- Retreats are important because people leave retreats fitter, rested, happier and clearer.
- Learn to command mind and body
- Expand the sense of peace and joy fulness
- Around 200 students had attended the program.
- Summary:

A Spiritual Retreat for students was organised from 7th to 9th February 2020 at International Heartfulness Centre. Event was organized in association with VJIT NSS and International Heartfulness Centre.

Spiritual retreat is time set apart to be in quiet, rest, and solitude with God. Retreats remove us from noise and distraction, and into a place of spiritual refreshing and renewing. Meditation allows an individual to relax the body, mind, and soul. As we settle into the stillness, we notice the stirrings of our soul, our deeper longings, and learn to command mind and soul. Meditation retreats are the best way to enjoy a holistic relaxation process.

Approximately 200 students from all the branches of VJIT Institution have attended. The students were advised to incorporate spiritual activities in their day-to-day life to maintain optimal health and emotional well-being.

Event was coordinated by Mr. Giri Prasad Goud, NSS coordinator.

Name of the activity: Health Camp organized by VJIT NSS and HDFC ERGO Health Insurance Co.Ltd.

Title/Topic: “Health Camp”

Resource persons/Guests: Director and Principal

Date: 25th Jan’20

Key points/highlights:

- The main purpose was to maintain proper health in the faculty.
- Conducting this camp also aims at providing free tests for diabetes, blood pressure, haemoglobin etc.
- Also provides counseling for faculty by trained doctors and specialists.
- A team of 10 Doctors had attended.
- Around 250+ teaching and non-teaching faculty had attended.

Summary:

A health camp for Teaching and Non-Teaching faculty was organized on 25th Jan 2020 at VJIT Campus. Camp was organized in association with VJIT NSS and HDFC ERGO Health Insurance Co.Ltd.

A team of 10 Doctors from Apollo Hospital conducted the camp which included General physical examination along with Blood Sugar, Blood Pressure, Dental Check-up, Eye Check-up and ECG test.

Approximately 250 Teaching and Non-Teaching faculty from all the branches of VJIT Institution have attended. Necessary medical advice and precautionary measures were given to the faculty.

Camp was coordinated by Mr.E.GiriPrasad Goud, NSS coordinator.

A Free medical Camp can be considered as a life-saving program that aims to provide free medical and surgical services to poor communities living in rural or urban areas by a mobile team with varieties of medical specialized services.

So, medical camps provide free medical advice, medicine to the unfortunate people and refer for specialized treatment or surgery whenever it is required. These camps make sure people are getting healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious.

Some NGOs, Charitable Medical Trusts, and medical professionals are driven by strong ethics of medicine who believe that it is the moral responsibility and obligation to treat each patient regardless of their income, race or social status. The main objective of a medical camp is to provide initial care to people in life-threatening conditions which reflect the unique strengths and goals of medical ethics. Other objectives are as stated below:

- Provide free and high-quality medical services and fullbody complete medical checkup for the poor population.
- Working as an emergency team in disasters.
- Raise health awareness among the community and teach them to deal with communicable and non communicable.
- Register and severe cases and refer them to specialized centers.
- Evaluate the living conditions and determine the obstacles and challenges to work on solving their problems.

Refer medical cases towards surgeries if required.

As a socially cognizant organisation, Venkateswara Group of Institute has undertaken a major initiative of organizing free health check camps dedicated to ensuring the health of expecting mothers. Following the pledge of 9000 doctors from renowned Hospitals to dedicate to provide healthcare services and completely free medical health checkup to poor people urban, semi-urban and rural areas of India, free medical camps are conducted in Venkateswara Group of Institute campus. These camps are being conducted specifically for pregnant women with active participation by Clinicians, Nurses and Support Staff from specialized hospitals.

Objective of the Program	: To publicize the concept of using the EcoFriendly Ganesha during the Vnayachavithi Festival and avoid using the Idols made using Plaster of Paris.

REPORT

The idea of celebrating Ganesha Chaturthi in an eco-friendly manner.

- The students had performed cultural activities to create awareness.
- The students have also made organic Ganesh idols and distributed to the Management and Faculty.

Summary:

To go beyond learning to make the idols, it is to protect our root. Immersing POP idols with chemical-based paint in waterbodies creates a bigger in organic chain. Aquatic life too gets destroyed. To protect the environment by opting for eco-friendly Ganesh idols that can dissolve in water, grow into trees, or can be recycled. With an aim to keep the environment safe, by adopting eco-friendly ways to make the idol of Lord Ganesh, ahead of Ganesh Chaturthi.

One of the biggest festival of the year, Lord Ganesha's birthday Ganesh Chaturthi is just around the corner and like every other year, water and Air Pollution will go up in many parts of our country as hundreds of thousands of people will gather to immerse Ganapati idols into the water bodies. Since the idols are made from Plaster of Paris these are non-bio degradable naturally and so these continue to float on the water for a long time thereby choking the water bodies and adversely impacting aquatic ecosystem. Adding to the problem, the idols are often decorated with paints heavy on lead and mercury which adds to the ongoing process of destroying the flora and fauna of the water body.

To fight these challenges during the festival and to protect the environment, four childhood friends who were always passionate about gardening, environment and planting trees, Sudhakar, Bharat, Puneet and Vivek, from Bengaluru came up with Sasya Ganapathi, an eco-friendly Ganesha Puja kit. In Kannada, Sasya means plant, thus the kit provided by these swachh warriors help devotees go green by converting the idols after visarjan into plants.

We can arrange tree planting on behalf of businesses. Circular Ecology doesn't add a margin onto tree planting activities. We are simply passionate about planting more trees. In fact, at Circular Ecology we have embedded tree planting into everything we do.

The most cost effective tree planting is in developing countries. This gives the maximum number of trees for a set budget. They arrange tree planting in locations such as Kenya, Nepal, Madagascar, Haiti, Indonesia and Mozambique. Eden Reforestation Projects reduces extreme poverty and restores healthy forests by employing local villagers to plant millions of trees every year on a non-profit basis.

VJIT NSS Haritha Haram

Under the VJIT NSS Haritha Haram has been organized at VJIT, on —— our Secretary and Correspondent Dr.Palla Rajeshwar Reddy and the Chief Guest Dr. Janardhan Reddy, IAS, Educational Secretary of TS have inaugurated the program by planting a saplings in the campus. The VJIT NSS believes that “Trees” can help clean the air we breathe, filter the water we drink, and provide habitat to over 80% of the world's terrestrial biodiversity. Trees are like the vacuums of our planet. Through their leaves and bark, they suck up harmful pollutants and release clean oxygen for us to breathe. In urban environments, trees absorb pollutant gases like nitrogen oxides, ozone, and carbon monoxide, and sweep up particles like dust and smoke. Healthy, strong trees act as carbon sinks; absorbing atmospheric carbon dioxide and reducing the effects of climate change.

72 INDEPENDENCEDAY

“YOU MUST BE THE CHANGE YOU WANT TO SEE IN THE WORLD”- quoted the Father of our Nation, Mahatma Gandhi. The customized occasion of 72nd Independence Day was celebrated and cheered by all the VJIT ans in our campus. The festivity began with our National Flag hoisting by our distinguished Director Dr. Venugopal Reddy and our beloved Principal Dr. Padmaja. Along with the staff and the students were also present our valued HoDs. Addressing the gathering, Dr. Venugopal Reddy paid homage to the struggle of our fighters and martyrs, who endured the atrocities of the British, and how our courageous leaders showed their belligerence to wrest freedom for us. These sacrifices, he said should be respected through constant introspection. This, he says is necessary to check if our goals are reached, the goals being, Eradicate poverty, Eliminate corruption and Extinguish the flames of terrorism from our country. Hence, he professes that it is rather an ‘Introspection Day’. Principal Dr. Padmaja expressed her jubilance that India is emerging as an economic powerhouse with an inflated GDP and has the largest market globally. India also, she says, has sophisticated technology and is taking ahead the legacy of profound scientific research. But she worried on the point that the rural areas are deprived of the benefits of these developments. Hence, she says the onus is on us to work with devotion towards equal distribution of resources among all. Placements Head, Dr. Siddharth Ghosh, Head of Mechanical Dept. Dr. Sriram Reddy and a Senior Professor Mr. V V Satyanarayana pledged to emanate quality education, the inputs being sincerity and dedication, to acknowledge the freedom that we are celebrating today. The programme wound up with an exhilarating dance performance by our students on patriotic tunes that stimulated a spirit of nationalism.

Report on “Anti-Ragging Awareness Program and Haritha-Haaram”

VJIT organized a mindfulness program on ragging in its campus on July 28, 2018. This was directed in association with Samshabad and Moinabad Police. Samshabad zone DCP Ms.Padmaja Reddy, Moinabad CI Mr. Venkateswarlu and SI Mr.Mahendranath were the Guests of the program. Samshabad Zone DCP Ms.Padmaja Reddy worried on the point that students ought to be far from ragging practices and not endanger their bright future. She affirmed on maintaining a disciplined life. Installation of CC cameras was on top priority to put a tab on the activities of the students in annihilating ragging from the grass root level. Rajendra Nagar ACP, Mr. Ashok Kumar pointed that ragging is an exceptionally horrifying practice that puts the innocent students to physical and mental trauma. He cautioned the students that under IPC section IV, the culprits are punishable. He urged the students to become responsible by adhering to the law as well as by upholding our culture and heritage. Mr. Ashok Kumar also insisted on setting a goal in life and tread in the right direction that leads to success. It is quite notable that the police have congratulated and valued our administration for fostering a healthy and disciplined environment and empowering the students in eradicating ragging. Our Principal, Dr. Padmaja appreciated the Cyberabad Police ‘Jagruti Kalabrudam’ headed by SI Mr. Rama Rao for playing an overwhelming skit that depicted the aftermath of atrocious habits like narcotics, drink and drive practice and other dreadful habits that shatters many lives. Our Director, Dr. Venugopal Reddy, Principal, Dr. Padmaja, Sr. Administration Officer, Mr.Venkatachalam vouched that the management and the students of VJIT will work hand in hand with the government to weed out the fatal practice of ragging. The programme ended on a positive note with students rendering a reverent salute to the esteemed guests.

Report on “Women’s Day”

On the occasion of the Women’s Day VJIT NSS has organized a seminar on the importance of women in our society at our college campus on 08th March 2019. On this occasion Director sir expressed his views that everyone has respect and love with their mother. He said mother is the first teacher of every child, she is more patient under unfavorable conditions this proves that she can face any challenge. Principal Dr. A.Padmaja added that VJIT girl students are proving to be more outstanding than their male counterparts by grabbing more placement opportunities.

There was an over whelming response from students and other volunteers.

A Certificate of appreciation was given to outstanding girl students and refreshment were also given to all participants.

Vote of thanks was given by NSS girl students.

Under the guidance of JNTUH NSS Unit, VJIT-NSS Unit organized the Special Camp from 29th March to 4th April 2019 at ReddyPally Village, Moinabad Mandal, RR district involving 40 NSS volunteers. Prior to the camp permission from the Sarpanch was taken for organizing the camp at the ReddyPally village. The village is about 10 km away from VJIT and having a population of 1000. Based on the need of the village, the Sarpanch requested us for a Dental Camp and a Library for the school kids. Keeping in mind these two requests we have started our camp on 29th March 2019.

Day 1: Friday 29th March 2019:

All the volunteers gathered at college by 9.30 am and we started to the village around 10.00 am. The students were filled with lots of excitement and joy. We had to purchase the food items for the camp and reached the camp site by 11.00 am. With the help of the locals and Sarpanch, we started our day with the ZPHS Reddypally govt. school. The school consisted of 120 Students from Class I to Class X. With the permission from Mr. Anantha Reddy garu – Headmastre. we organized Inauguration, our first event on Skill Development and Interactive session. Before we could do that, the programme officer instructed the volunteers on the role that they have to play. What are the Do's and Don'ts that needs to be taken care. Volunteers were segregated into five batches based on Class I-IV, Class V & VII, Class VIII & IX. Each group was given the task of teaching the kids singing, dancing, and game. Basic English on personal introduction, Basic Maths, Computer Parts and most important how to be self confident. To our surprise the kids outstandingly received us well and in return we learned a lot from the kids.

We had our lunch prepared by NSS volunteers at 3.00 pm and took rest for a while. Then by 6.00pm we had a meeting to discuss on our next day event. We decided to have household survey and a door to door awareness program on the importance of health. We also informed the villagers about the Dental camp to be organized on 2nd April 2019 from 10.00 am

Later we had a review meeting around 9.00pm about the event that we organized on Day I.

Day II: Saturday 30th March 2019

The day started off at 6.00 am with a Yoga session, Exercises and sports for about 2 hours. As per the schedule we decided to organize the household survey. We have went to every house and collected all the information and suggested them solutions for few problems and motivated and at the end of the day we had cultural programs and also a review meeting on the feedback of the day event.

Day III: Sunday 31st March 2019:

The day started at 6.00 am with yoga, exercise and sports for two hours. Today also we continued with Household survey till 1:30pm. The common problems we found in Reddypally Village is scarcity of water, there is no drainage system and they requested for proper roads, private school and a hospital. In Reddypally village most of them are farmers and hardworking people. They are striving hard for the education of their children. We have motivated them to grow the plants and keep the surroundings clean. Took the survey forms on Digital Transaction and visited 160 houses and gathered information on how Reddypally Village is Digitalized village

Day IV: Monday 1st April 2019

The day started as usual at 6.00 pm with Yoga, Sports and exercises. After that we had our breakfast and started to the school where we organized Swachh Bharat in the entire village.

Using placards with various quotations on saving environment, no to plastic, planting and protecting trees and the importance of providing basic education to the kids we created awareness. Along with this we did

door to door awareness on the need to segregate wet and dry waste. We asked them to use the wet waste for agriculture and the dry waste to put it in a pit and later covering it with soil. So all the volunteers divided the work among themselves took part in the Swachh Bharath. During the cleaning the major waste that we could see was that of plastic and diapers. We segregated the biodegradable and non-biodegradable waste. To dump the waste in a safer manner, the volunteers dug two pits one for the degradable waste and another for plastic and later covered it with sand. We motivated the villagers to do the same thing. We reached the camp site at 2.00 pm had our lunch, took rest for a while.NSS coordinator Mr.E.Giri Prasad goud and NSS volunteers motivated the villagers and students on the need to conserve our environment for the present and future generations. Each one of us should plant tree, not only plant them but also try to protect it with love and care. And also shared few stories how students have taken great care of their saplings. He also emphasized on the role of youth place in society building and how one should take proper decision and be in good company.

Day V: Tuesday 2nd April 2019

The day started as usual at 6.00 pm with Yoga, Sports and exercises. Today we organized Dental Camp and Health Checkup for the villagers. The Doctor checked the villagers and medication was given based on their illness. Following are the medications given to the villagers. All together 200 village residents have taken part in this camp

We reached the camp site at 4.00 pm had our lunch, took rest for a while. Then in the evening we had the Leadership Development Program addressed by Mr. Gopal Bhargav Founder, Vanguard. Vanguard in an Educational NGO based at Hyderabad, started in 2007, motivating 1000 of volunteers each year and shaping the future of the primary govt. school students by organizing a 3 hours classes every Saturday. Mr. Gopal Bhargav, a young dynamic entrepreneur motivated the students and villagers on the role of being a leader. Taking live examples from his personal life, he inspired them on how difficult is to be a leader and at the same time managing family. According to him the 5 qualities required to become a leader are

1. Taking the first step.
2. Standing out from the crowd
3. Clear Vision
4. Overcoming Fear
5. Learning from Failure

He explained each quality with the help of his real time experiences. At the end of the day we had cultural programs and also a review meeting on the feedback of the day event.

Day III: Sunday 12th March 2017:

The day started at 6.00 am with yoga, exercise and sports for two hours. As it being a Holi, we decided to stay at the camp as the Sarpanch advised us. We spent the day by rehearsing on how to bring awareness on Saving Girl Child. Then we came up with an idea to perform Street Play and wrote a script too. But due non availability of mike, we dropped that idea. Then we thought of having a dance performance were we would be emphasizing the various role a girl plays, how perfectly she handles the role of being a mother, daughter, sister and wife. We took theme songs depicting these 4 roles. Seven NSS Girl Volunteers participated in the event.

The event started at 7.00 pm near the gram panchayat. Many people witnessed the show and also appreciated the act done by the students.

Day IV: Monday 13th March 2017

The day started as usual at 6.00 pm with Yoga, Sports and exercises. After that we had our breakfast and started to the school where we organized painting and essay writing competitions for 1st to 7th class students on the topic “Our Role in Environmental Protection – For Essay writing only for 6 & 7th Students and drawing on “ How to protect environment” for all classes.

We selected best three paintings from 1st-3rd Classes, 4th & 5th classes and 6&7th and First prize for essay writing competition.

The gifts were given on the hands of School Headmistress Ms. Sandhya Garu.

Later we reached the camp for Lunch.

Then we started back to village to have a awareness program on environmental protection by Smt. K. Leela Laxma Reddy, President – Council for Green Revolution. It is an environmental NGO based at Hyderabad, working since 7 years. The concept of the NGO is planting saplings involving govt. school children where each student is given 2 shade bearing and 3 fruit bearing plants.

She motivated the villagers and students on the need to conserve our environment for the present and future generations. Each one of us should plant tree, not only plant them but also try to protect it with love and care. She shared few stories how students have taken great care of their saplings. She also emphasized on the role of youth place in society building and how one should take proper decision and be in good company.

After reaching the camp, we had made an eco-friendly cake using watermelon, dry fruits and mulberry for one of the student whose birthday was on 14th March 2017.

Day V: Tuesday 14th March 2017

The day started as usual at 6.00 pm with Yoga, Sports and exercises. After that we had our breakfast and started to the school where we organized an awareness program on the ill effects on using plastic and made them understand that instead of using plastic, we can make our own cloth bag and paper bags. To motivate them more we taught them how to make paper bags. The students actively participated in it and learned the skill of making paper bags. Students of 4th to 7th Participated in the event.

Later we had our lunch and in the evening we started our evening session on career guidance. Prior to the session, the NSS volunteers had taken training from Nirmaan Organization working on Career Guidance for 9th and 10th Class Students, giving them proper guidance on the various courses that are available with the for pursuing their further studies.

All the NSS volunteers along with the material provided by the Nirmaan Organization, we did door to door Career Guidance awareness for 9th and 10th Students. We distributed the materials containing all the information related to further education they can receive.

The day ended with a cultural program by the students.

Day VI: Wednesday 15th March 2017

As usual the day started with Yoga, Sports and exercises at 6.00 pm. Later we reached school at around 10 am and gathered all the students for a rally on environmental protection. Using placards with various quotations on saving environment, no to plastic, planting and protecting trees and the importance of providing basic education to the kids we created awareness. Along with this we did door to door awareness on the need to segregate wet and dry waste. We asked them to use the wet waste for agriculture and the dry waste to put it in a pit and later covering it with soil.
