## QLIK Academic Program Global DATATHON - Solving the Climatic Crises

Qlik and C40 Cities have launched a Datathon, a series of challenges to help solve some of the issues at the heart of our current climate crisis. Students who have registered for **Qlik Academic Program** across the globe are invited to participate to develop data and analytic solutions for a climate resilient earth to support healthy ecosystems in multiple geographies. Only.

This Datathon Earn an opportunity to present your solution during the **QLIK WORLD** virtual event. Each Challenge winning team member will receive an electronic gift card in the amount of US\$500.00! and Each Challenge winning team will have the chance to compete for the prize of overall Datathon winner. Each member of the overall Datathon winning team will be awarded an additional US\$500.00 electronic gift card!

Two Students can form as a group and can participate in this datathon. Every team has been given 5 Challenges from which they need to choose one challenge and bring few outcomes through their visualizations by using the QLIK Platform. Every Team need to create a QVF APP where the visualizations are been done along with a PPT.

### Important Dates of Datathon

- February 7: Registration opens and datathon begins
- May 1: Submissions are due\*
- May 8: Challenge winners announced
- June: Overall winner announced after QlikWorld virtual event

6 Teams from Vidya Jyothi Institute of Technology have been participated in this Datathon .

## Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on the 8th day of June, 2020

### By and between:

TalentSprint Private Limited, a company incorporated under Companies Act 1956 having its registered office at PSR Prime Towers, 1<sup>st</sup> Floor, Beside DLF Cyber City gate 1, Gachibowli, Hyderabad – 500 032, Telangana (hereinafter referred to as “TalentSprint”, which expression shall include its legally constituted signatories, assigns, successors and officers duly authorized to execute such MoU) OF THE FIRST PART

### AND

Vidya Jyothi Institute of Technology, an Institution, [company/College/Trust/ Society] incorporated under the provisions of the Societies Act with its registered office at Aziznagar Gate, CB Post, Chilkur Balaji Temple Road, Hyderabad 500075, (hereinafter referred to as “Institution”, which expression shall expressly include its legally constituted signatories, assigns, successors and officers duly authorized to execute such MoU) OF THE SECOND PART

Institution and TalentSprint are hereinafter collectively referred to as “Parties” and individually referred to as “Party”.

### WHEREAS,

1. TalentSprint brings transformational high-end and deep-tech learning programs to young and experienced professionals. The Company’s digital platform offers a hybrid onsite/online experience to seekers of deep technology expertise. The Company partners with top academic institutions and global corporations to create and deliver world class programs, certifications, and outcomes. The Company is an Innovation Partner for the National Skill Development Corporation (an arm of the Ministry of Skill Development and Entrepreneurship, Government of India).
2. Vidya Jyothi Institute of Technology was established in 1998 by Vidya Jyothi Educational Society created by a group of committed academicians and enterprising educationists. VJIT quickly won the confidence of the parent community and the students to become one of the select destinations for future engineers. Soon the lamp of knowledge began to spread its radiance far and wide. The institute is committed to adopt the changes in Engineering Education and strongly believes in and strives to strengthen Technical Education. The highest quality of VJIT’s academics is mirrored in the consistent 95% academic results. The institution registers an average of 82% placements for eligible students, details of which are available at <https://vjit.ac.in> (website).
3. TalentSprint has launched TalentSprint Centre of Excellence(TSCOE), an initiative which aims to provide exposure to college students on the emerging industry needs.
4. The Institution has expressed its desire to launch TSCOE in their Institution.

Now therefore, in consideration of the understanding hereinabove, both parties enter into this Memorandum of Understanding with relationship terms and conditions brought forth herein.

Hyderabad-75.

This Memorandum of Understanding (the "MOU") is entered into 17th November, 2020 (the "Effective Date"), by and between OneCompiler with an address of OneCompiler, Manjeera Trinity Corporate, Plot No S2, Survey No.1050 Unit No. 810 & 811, Kukatpally, JNTU Road, Ranga Reddy District, Telangana State, Hyderabad, 500072 and Vidya Jyothi Institute Of Technology ("Institution"), with an address of Vidya Jyothi Institute Of Technology, Aziz Nagar Gate, Chilkur Balaji Road, Hyderabad, Telangana 500075, collectively "the Parties."

WHEREAS, the Parties desire to memorialize certain terms and conditions of their anticipated endeavor; now therefore, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

## 1. Introduction and Overview

OneCompiler is a virtual collaboration tool for educational institutions. OneCompiler aims to reduce the resistance of a student to start coding with a free online compiler for 40+ programming languages. It acts as a medium to collaborate with all the students and staff of a college virtually. We also help students to gain knowledge by using our Challenges, Posts, Q&A, Tutorials & more.

## 2. Features

Following are the features which will be provided to you as part of the MOU

Features	Comments
Online compiler	Colleges can use OneCompiler in the labs and students can use it from any of their devices.
College & Classroom level collaboration	Students & Staff can collaborate at college level or classroom level. Users can also create their own activity specific teams ex. Main Project
Challenges and leaderboard	Users can solve existing challenges in OneCompiler. Lecturers can also create challenges. Students & Lecturers can access Leaderboard
Q&A	Users can use Q&A to ask questions or help other by answering questions
Posts	Posts can be used in several ways, ex. Lecturers can share the class notes. Users have the choice to decide the privacy of the posts they create.
Tutorials & Cheat Sheets	Students can access the Tutorials & Cheat Sheets for free to improve their skills
Alumni Connect	Connect with old students of college can be maintained

### 3. Staffing

OneCompiler assigns a Point of Contact for the implementation of OneCompiler product in your college. Point of contact will help the staff and students to understand and leverage all the features of the product.

### 4. Responsibilities for staff

- It is expected that the Institution will use the training provided by OneCompiler regarding the product use and cascade to students
- Internet connectivity will be provided by the Institution. As it's a SAAS product it only works with internet connection.

### 5. Responsibilities for students

- Attempt the challenges assigned at college level or branch level.
- Make use of the Messaging, Posts, Q&A to collaborate and learn effectively.
- Explore all the learning features provided by OneCompiler like Programming, Tutorials & Cheat Sheets.

### 6. Pricing and invoicing

We are glad to provide the product & services for free with all the existing features of OneCompiler to your institution as part of our introductory offer for the **next 5 years**. This MOU holds good till **November 2025** and a separate MOU will be shared for extension if both the parties are willing to continue. Thereafter, the continued involvement and support will be invoiced yearly.

### 7. Additional Terms and Conditions

- Terms regarding user and organization related policies are subjected to change and will be published on the Onecompiler official website.
- Username, profile picture and the score gained by the user will be publicly visible. Users have a choice to hide the information like profile picture and any other information they have added.

25. Sep.2017

Greetings from Lean Technocrats India Pvt. Limited.

Subject: About “**Campus to Industry**” Training program & request for the consent for attending campus placement.

Dear Ma'am / Sir,

Be it Manufacturing, IT or service - Academics and Industries need to be on same platform and go hand in hand to remove wall of separation between education and work.

Unlike IT, there are very few learning opportunities available for the manufacturing practices at the campus impacting to build awareness and attract the right talent for the manufacturing sector.

Considering this, **Vidhya Jyothi Institute of Technology (VJIT)**, Hyderabad <http://vjit.ac.in/> and **Lean Technocrats India Private Limited (Lean Techno)** <http://leantechno.in/> joining hands together to set up the “**Center of Excellence**” for Manufacturing at their campus.

In this regard, Lean Techno is conducting a certification course “**Campus to Industry**” for the final year Mechanical Engineering students. The objective of the course is to provide the glimpse of the manufacturing world, introduction of the best manufacturing practices and provide simulations based training on the Lean Manufacturing tools. This will help the students to shorten the period of the transformation needed from student to employee. It will also help the organizations to get the industry ready candidates right from the campus.

We will be happy to host you for Final placement process, scheduled to start from Jan / Feb'2018 for the first batch of this program. We will have a pool of committed and enthusiastic students ready to hit the ground running.

Transport from place of origin to Hyderabad & back and stay at one of the best available hotels at Hyderabad for your panel members visiting the Institute for recruitment process will be taken care of.

ORACLE®

Press Release No. 05/13

**The Institute of Technical Education (ITE) and Oracle Academy Will Work Together to Offer IT Curriculum to More Than 26,000 Students**

***New ITE-Oracle Academy Centre to Help Students Develop Industry-Relevant Skills for IT Careers***

The Institute of Technical Education (ITE) and Oracle Singapore will work together to leverage Oracle Academy's Advanced Computer Science curriculum to inspire the next-generation of technology professionals.

2 As part of the collaboration, the ITE-Oracle Academy Centre at ITE College West in Choa Chu Kang, Singapore, was officially unveiled by Mr. Bruce Poh, Director & CEO, ITE and Mr. Leslie Ong, Managing Director, Oracle Singapore. The Centre will allow ITE to build a strong foundation of technology programs; help foster student knowledge and interest in computer science, engineering and technology; help prepare ITE students for IT careers; and help meet growing local demand for a highly skilled technology workforce.

3 Oracle Academy's Advanced Computer Science program provides universities and students with hands-on access to Oracle database and middleware software, curriculum, and other industry-relevant resources that can help give students a competitive advantage when they enter the workforce. ITE will align several IT courses to the Oracle Academy curriculum and offer an ITE-Oracle certificate to students who have successfully completed each of these ITE elective modules.

4 "Thanks to Oracle Academy's vision, our students and staff will have access to curriculum, resources and certifications that will help prepare them for successful IT careers. We are especially delighted that this collaboration will bring more opportunities for students to gain market-relevant skills and credentials that will help differentiate them when they enter the workforce," said Mr Bruce Poh, Director & CEO, ITE.

### About ITE

The Institute of Technical Education (ITE), Singapore, was established as a post-secondary education institution in 1992 under the Ministry of Education. ITE is a principal provider of career and technical education and key developer of national occupational skills certification and standards to enhance Singapore's workforce competitiveness. Under its "One ITE System, Three Colleges" Model of Education and Governance, ITE has three Colleges, comprising ITE College Central, ITE College East and ITE College West. For more information, visit: [www.ite.edu.sg](http://www.ite.edu.sg).

### About Oracle Academy

The Oracle Academy provides a complete portfolio of software, curriculum, hosted technology, faculty training, support, and certification resources to K-12, vocational, and higher education institutions for teaching use. Faculty can flexibly insert these resources into computer science and business programs, ensuring that students gain industry-relevant skills prior to entering the workforce. The Oracle Academy supports over 1.9 million students in 97 countries. To learn more, visit <http://oracle.com/academy>.

F.No. 1-29/CM/AICTE/2017

April 10, 2018

Dear Sir / Madam,

For reforming and enhancing the quality of Technical Education in AICTE Approved Institutions and to also enhance the Skills & Employability of Students, AICTE has developed a Model Curriculum with the help of Academic & Industry Experts for various disciplines of Undergraduate & Post-Graduate Degree courses in Engineering & Technology and Management. The Model Curriculum has been published in Jan 2018 and is being adopted by various Autonomous Institutions / Universities. The model curriculum has components of AI and Deep Learning.

Bennett University, NOIDA(UP), in partnership with Royal Academy of Engineering, UK; NVIDIA, Amazon, University College London and Brunel University, London, has been funded a big initiative named as 'Making Deep Learning and AI skills mainstream in India by Royal Academy of Engineering, UK to fulfil trilateral needs of entrepreneurship, Industry-Academia partnership and application-inspired Engineering Research'. Already 30 institutions are Zonal Partners of this project. Bennett University is planning to add 50 more institutions as Zonal Partners for the project. The initiative will commence on 1<sup>st</sup> May 2018 and the last date for becoming lead Zonal Partner is 15<sup>th</sup> May 2018. Information regarding the objectives of the initiative.

Interested institutes may contact Dr. Deepak Garg, Director, NVIDIA-Bennett Research Lab on Artificial Intelligence at [Deepakgarg108@gmail.com](mailto:Deepakgarg108@gmail.com) or contact at 9815599654 for possible collaboration and train your faculty in the upcoming high end technologies of AI & Deep Learning.

Yours sincerely,

Hyderabad-75.

This Memorandum of Understanding states the terms and conditions under which the timings shall be conducted by CADD Centre through its Franchisee partner at the premises of Vidya Jyothi Institute of Technology and lists herein the respective responsibilities of both parties.

**PREAMBLE:**

To get a student employable and placed in an organization; over and above the subject knowledge he / she is expected to have the following:

- Strong Fundamental Engineering Knowledge
- Engineering related Multiple Technical Skills
- Communication & other Soft Skills

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidate. This is because of the skill gap that exists between the student and industry requirements. This skill gap is sought to be minimized for the students of Vidya Jyothi Institute of Technology by facilitating them to acquire the appropriate and relevant skills at the college premises itself through this program.

While Subject Knowledge would be provided by Vidya Jyothi Institute of Technology, CADD Centre will equip the students with required industry specific CAD, CAM, CAE and Project Management skills.

Through this collaboration, CADD Centre through its Business Partner will prepare the students of Vidya Jyothi Institute of Technology to be ready for the industry by the time they enter the final semester and facilitate many of them to secure dream jobs. For this the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle in mind, the programs are spread across their semesters.

**CADD CENTRE THROUGH ITS FRANCHISEE WILL PROVIDE FOLLOWING:**

- Comprehensive CADD Centre reference and work books (wherever applicable) to all students for each course as part of the course.
- Qualified trainers for the course.
- Periodical assessment of the progress of students for their further improvements.
- "Certificate of Completion" to every student who successfully completes the training program every semester which will carry the logo of CADD Centre and Vidya Jyothi Institute of Technology.
- "Certificate of Association" to the college.
- A "link to Vidya Jyothi Institute of Technology website" from CADD Centre website [www.caddcentre.com](http://www.caddcentre.com).
- Permit Vidya Jyothi Institute of Technology to use CADD Centre logo as the Skill Development Partner.

*A. Lakshmi*

**PRINCIPAL**  
Vidya Jyothi Institute of Technology  
Himayatnagar (Vill), C.B. Post.,

**VIDYA JYOTHI INSTITUTE OF TECHNOLOGY SHALL PROVIDE:**

- The required number of computer systems with the software required for the course in the lab and other required infrastructure for the practice.
- The Class rooms with LCD projector for the theory classes.
- The Schedule with the classes for this training.
- The supports to ensure, all students who have signed up for the class, attend the training programs scheduled for them.
- Disciplinary support for the smooth conduct and timely completion of the entire course.
- Provide all support to CADD Centre to enroll students in the courses offered by CADD Centre at the College premises:

**PARTICIPANTS:**

The participants would be the Students of Vidya Jyothi Institute of Technology from specified branches mentioned in ANNEXURE 1.

**COURSE CONTENTS:**

CADD Centre in consultation with Vidya Jyothi Institute of Technology shall finalize the courses and fees for the skills development program. The recommended course details are provided in the ANNEXURE – 1. These will be reviewed prior to every course and suitable changes, if required, will be incorporated. As the requirement of each course is different, courses and fees would be worked out separately for each course.

**TIME SCHEDULE**

The program(s) will be conducted during the days and timings provided by Vidya Jyothi Institute of Technology. The students will be divided into batches, depending on the total strength. The program(s) will be conducted according to the Time Table drawn up with the mutual consent of CADD Centre and Vidya Jyothi Institute of Technology. Utmost care will be taken to frame the time table in such a way that it does not interfere with college activities enabling the student to complete his training ahead of the final exams. CADD Centre will not conduct any classes during the time of exams. In case of any change in training schedule the same will be intimated to the Program Coordinator of Vidya Jyothi Institute of Technology. Similarly, if Vidya Jyothi Institute of Technology wants a change in training schedule the same may be communicated to the Program Coordinator of CADD Centre. In either of the cases, a revised training schedule has to be made and the Program Coordinators of both CADD Centre & Vidya Jyothi Institute of Technology and the respective students must be informed about the change in training schedule by means of suitable media (emails/posters/circulars/notice board displays).

However exception can be made due to reasons mentioned in the Course Completion Clause or due to delay on Vidya Jyothi Institute of Technology's side.

### COURSE FEES & PAYMENT PATTERN

The course fee per student for each course offered is decided and mutually agreed upon by both the parties. The course fee and the payment pattern are available in the ANNEXURE – 1. The student shall pay the course fee directly to Vidya Jyothi Institute of Technology before the start of the course.

Vidya Jyothi Institute of Technology will make payment by Cheque or DD payable at Dilsukhnagar in the name of JAGADISH KUMAR GAJAM as per the schedule detailed in ANNEXURE - 1.

CADD Centre shall refund the course fee if courses are not provided as stated in ANNEXURE - 1. In the event of any student not able to attend and is missing out the entire session of classes, the Vidya Jyothi Institute of Technology shall not make the payment towards that student. The amount such paid is subject to tax deduction at source. Vidya Jyothi Institute of Technology will provide tax deduction at source certificate for the same.

### COURSE COMPLETION:

While CADD Centre through its franchisee will endeavor to complete the course as per the schedule mutually agreed upon and mentioned in Annexure 1. CADD Centre will not be responsible and accountable for delay in completing the course due to reasons which are beyond the control of CADD Centre and CADD Centre's Franchisee Partner. Reasons beyond the control of CADD Centre and CADD Centre's Franchisee Partner include – acts of Nature (including fire,

conditions of this Agreement. In any event, Consultant shall be responsible for any breach of the terms and conditions of this Agreement by any of its employees. Consultant shall use the same degree of care to avoid disclosure of the Confidential Information as it employs with respect to its own Confidential Information of like importance, but not less than a reasonable degree of care.

(c) **Return of Confidential Information.** Upon the termination or expiration of this Agreement for any reason, or upon Company's earlier request, Consultant will deliver to Company all of Company's property or Confidential Information in tangible form that Consultant may have in its possession or control. The Consultant may retain one copy of the Confidential Information in its legal files.

6. **Interference with Business**

(a) **Non-Competition.** During the term of this Agreement, Consultant will engage in no business or other activities which are, directly or indirectly, competitive with the business activities of the Company without obtaining the prior written consent of the Company.

(b) **Non-Solicitation.** Consultant agrees that for a period of one year after termination of this Agreement, Consultant shall not:

- (i) divert or attempt to divert from the Company any business of any kind in which it is engaged, including, without limitation, the solicitation of or interference with any of its suppliers or customers, or
- (ii) employ, solicit for employment, or recommend for employment any person employed by the Company, during the Consultancy Period and for a period of one year thereafter.

7. **Insurance**

Consultant shall maintain at its sole expense liability insurance covering the performance of the Services by Consultant. Such insurance coverage shall have limits and terms reasonably satisfactory to Company, and Company may require Consultant to provide to Company a certificate of insurance evidencing such coverage.

8. **Independent Contractor**

The Consultant agrees that all Services will be rendered by it as an independent contractor and that this Agreement does not create an employer-employee relationship between the Consultant and the Company. The Consultant shall have no right to receive any employee benefits provided by the Company to its employees. Consultant agrees to pay all taxes due in respect of the Consultancy Fee and to indemnify the Company in respect of any obligation that may be imposed on the Company to pay any such taxes or resulting from Consultant's being determined not to be an independent contractor. This Agreement does not authorize the Consultant to act for the Company as its agent or to make commitments on behalf of the Company.

9. **Force Majeure**

Either Party shall be excused from any delay or failure in performance required hereunder if caused by reason of any occurrence or contingency beyond its reasonable control, including, but not limited to, acts of God, acts of war, fire, insurrection, strikes, lock-outs

or other serious labour disputes, riots, earthquakes, floods, explosions or other acts of nature.

The obligations and rights of the Party so exercised shall be extended on a day-to-day basis for the time period equal to the period of such excusable interruption. When such events have abated, the Parties' respective obligations hereunder shall resume.

In the event the interruption of the excused Party's obligations continues for a period in excess of Six Months (6 Months) calendar days, either Party shall have the right to terminate this Agreement upon Six Months (6 Months) calendar days' prior written notice to the other Party.

**10. Non-Publicity**

Each of Company and Consultant agree not to disclose the existence or contents of this Agreement to any third party without the prior written consent of the other Party except: (i) to its advisors, attorneys or auditors who have a need to know such information, (ii) as required by law or court order, (iii) as required in connection with the reorganization of a Party, or its merger into any other corporation or the sale by a Party of all or substantially all of its properties or assets, or (iv) as may be required in connection with the enforcement of this Agreement.

**11. Assignment**

The Services to be performed by Consultant hereunder are personal in nature, and Company has engaged Consultant as a result of Consultant's expertise relating to such Services. Consultant, therefore, agrees that it will not assign, sell, transfer, delegate or otherwise dispose of this Agreement or any right, duty or obligation under this Agreement without the Company's prior written consent. Nothing in this Agreement shall prevent the assignment by the Company of this Agreement or any right, duty or obligation hereunder to any third party.

**12. Injunctive Relief**

Consultant acknowledges that a violation of article 5 or 6 would cause immediate and irreparable harm to the Company for which money damages would be inadequate. Therefore, the Company will be entitled to injunctive relief for Consultant's breach of any of its obligations under the said Articles without proof of actual damages and without the posting of bond or other security. Such remedy shall not be deemed to be the exclusive remedy for such violation, but shall be in addition to all other remedies available at law or in equity.

**13. Governing Law and Dispute Resolution**

This Agreement shall be governed by and construed in accordance with the laws of INDIA, without giving effect to any choice of law or conflict of law provisions and venue in the courts of High court in the city of Hyderabad.

## 1. Preamble

METRONIX is an ISO 9001:2008 Certified Company, are the pioneers and leading manufacturers in the field of Magnetics with more than two decades of experience and are well equipped with state of the art machines, tools and equipment to maintain high quality in various Production operations.

The company is one of the fastest growing electronics field in embedded solutions , We involve in industrial products & project designing and development. Starting from concept and research, we help our customer from hardware designing, software development of prototype and bulk production.

VJIT has a very calm and serene academic ambience with a lush green campus providing aesthetic and student friendly learning environment. The infrastructure is world class and is appreciated by the reputed professionals from industry and respected professors from Indian and foreign universities and institutions. Institution has high qualified and experienced faculty members in the field of engineering and technology. The research knowledge and professional experience of the institute may utilise for the product development and for the welfare of the society.

Electrical & Electronics Engineering (EEE) is a widely acclaimed engineering discipline and is known to be a bridge to best careers in diverse technology areas. The Department of EEE is established in 1999 and is accredited by NBA in 2010. A faculty team with award winning senior professors and one of its kind fully functional model room define the learn ability quotient of students of the discipline. Innovative projects and regular industry interfacing enhance the students engineering capabilities and inspire them to create the best technology solutions.

## 2. Period of MOU

This MOU shall come into force and effect from the date of execution 9<sup>th</sup> November 2019 and shall remain valid for period of Five years till 11<sup>th</sup> November 2024, date after which the same maybe reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

Together we enter into this memorandum of understanding to promote INTERNSHIPS, WORKSHOPS AND INDUSTRY ORIENTED PROJECTS, MAJOR PROJECTS AND PLACEMENTS. METRONIX and VJIT operating under this MOU as follows

## About Us

- EmbeddedRF Technologies is an organization started by the Alumni of IIT Kharagpur to address the growing need of Practical Education in Electronics. We are group of individuals who have tremendous Passion for Electronics. Our core team includes Post-Graduate from IIT Kharagpur, M.Sc students in Electronics. We are here to impart quality education to the students in the field of Electronics, Embedded Systems and RF & Microwave

## Our Vision

- Embedded RF Technologies is into design, development and manufacturing of various sub-assemblies, assemblies, sub-systems & systems . Embedded RF technologies Manufacture and Production competencies are in multi engineering disciplinary solutions of Mechanical, Electrical, Electronics & Software and meeting MIL Standards. Embedded RF technologies offer unique, complex systems, design & analysis, proven engineering practices, and support for seamless transition and integration of new architecture capabilities. Embedded RF technologies are a professional training partner dedicated to help both company and the aspirant achieve a win-win situation. In our profession, we work with people and not just projects, because each training course offers a chance to change a person's life.

IEEE Student Chapter conducted two days workshop on "Embedded System ARM7 and Raspberry Pi" on 3<sup>rd</sup> & 4<sup>th</sup> January, 2014, in association with Embedded RF Technologies.

With the growing importance of the embedded systems, the need to design embedded applications with micro controllers having advanced features is gaining prominence. ARM, an Advanced RISC Machine is emerging as one of the prominent standard for embedded RISC processing across communication, networking, consumer, portable, automotive and multimedia application markets. ARM offers an array of cores, architectural extensions, microprocessors and system-on-chip (SoC) solutions, all using common software architecture.

a worldwide, royalty-free, perpetual, irrevocable license to exploit the incorporated items, including, but not limited to, any and all copyrights, patents, designs, trade secrets, trademarks or other intellectual property rights, in connection with the Work Product in any manner that Company deems appropriate. Consultant warrants that it shall not knowingly incorporate into any Work Product any material that would infringe any intellectual property rights of any third party.

5. **Confidential Information**

(a) **Defined.** In this Agreement the term "Confidential Information" shall mean the Work Product and any and all information relating to the Company's business, including, but not limited to, research, developments, product plans, products, services, diagrams, formulae, processes, techniques, technology, firmware, software, know-how, designs, ideas, discoveries, inventions, improvements, copyrights, trademarks, trade secrets, customers, suppliers, markets, marketing, finances disclosed by Company either directly or indirectly in writing, orally or visually, to Consultant. Confidential Information does not include information which:

- (i) Is in or comes into the public domain without breach of this Agreement by the Consultant,
- (ii) Was in the possession of the Consultant prior to receipt from the Company and was not acquired by the Consultant from the Company under an obligation of confidentiality or non-use,
- (iii) Is acquired by the Consultant from a third party not under an obligation of confidentiality or non-use to the Company, or
- (iv) Is independently developed by the Consultant without use of any Confidential Information of the Company.

(b) **Obligations of Non-Disclosure and Non-Use.** Unless otherwise agreed to in advance and in writing by the Company, Consultant will not, except as required by law or court order, use the Confidential Information for any purpose whatsoever other than the performance of the Services or disclose the Confidential Information to any third party.

Consultant may disclose the Confidential Information only to those of its employees who need to know such information. In addition, prior to any disclosure of such Confidential Information to any such employee, such employee shall be made aware of the confidential nature of the Confidential Information and shall execute, or shall already be bound by, a non-disclosure agreement containing terms and conditions consistent with the terms and conditions of this Agreement. In any event, Consultant shall be responsible for any breach of the terms and conditions of this Agreement by any of its employees. Consultant shall use the same degree of care to avoid disclosure of the Confidential Information as it employs with respect to its own Confidential Information of like importance, but not less than a reasonable degree of care.

(c) **Return of Confidential Information.** Upon the termination or expiration of this Agreement for any reason, or upon Company's earlier request, Consultant will deliver to Company all of Company's property or Confidential Information in tangible form that Consultant may have in its possession or control. The Consultant may retain one copy of the Confidential Information in its legal files.

6. Interference with Business

(a) Non-Competition. During the term of this Agreement, Consultant will engage in no business or other activities which are, directly or indirectly, competitive with the business activities of the Company without obtaining the prior written consent of the Company.

(b) Non-Solicitation. Consultant agrees that for a period of one (3) years after termination of this Agreement, Consultant shall not:

(i) divert or attempt to divert from the Company any business of any kind in which it is engaged, including, without limitation, the solicitation of or interference with any of its suppliers or customers, or

(ii) employ, solicit for employment, or recommend for employment any person employed by the Company, during the Consultancy Period and for a period of one (1) year thereafter.

7. Insurance

Consultant shall maintain at its sole expense liability insurance covering the performance of the Services by Consultant. Such insurance coverage shall have limits and terms reasonably satisfactory to Company, and Company may require Consultant to provide to Company a certificate of insurance evidencing such coverage.

8. Independent Contractor

The Consultant agrees that all Services will be rendered by it as an independent contractor and that this Agreement does not create an employer-employee relationship between the Consultant and the Company. The Consultant shall have no right to receive any employee benefits provided by the Company to its employees. Consultant agrees to pay all taxes due in respect of the Consultancy Fee and to indemnify the Company in respect of any obligation that may be imposed on the Company to pay any such taxes or resulting from Consultant's being determined not to be an independent contractor. This Agreement does not authorize the Consultant to act for the Company as its agent or to make commitments on behalf of the Company.

9. Force Majeure

Either Party shall be excused from any delay or failure in performance required hereunder if caused by reason of any occurrence or contingency beyond its reasonable control, including, but not limited to, acts of God, acts of war, fire, insurrection, strikes, lock-outs or other serious labour disputes, riots, earthquakes, floods, explosions or other acts of nature.

The obligations and rights of the Party so excused shall be extended on a day-to-day basis for the time period equal to the period of such excusable interruption. When such events have abated, the Parties' respective obligations hereunder shall resume.

In the event the interruption of the excused Party's obligations continues for a period in excess of Three years (3 years) calendar days, either Party shall have the right to terminate this Agreement upon Three years (3 years) calendar days' prior written notice to the other Party.

**10. Non-Publicity**

Each of Company and Consultant agree not to disclose the existence or contents of this Agreement to any third party without the prior written consent of the other Party except: (i) to its advisors, attorneys or auditors who have a need to know such information, (ii) as required by law or court order, (iii) as required in connection with the reorganization of a Party, or its merger into any other corporation, or the sale by a Party of all or substantially all of its properties or assets, or (iv) as may be required in connection with the enforcement of this Agreement.

**11. Assignment**

The Services to be performed by Consultant hereunder are personal in nature, and Company has engaged Consultant as a result of Consultant's expertise relating to such Services. Consultant, therefore, agrees that it will not assign, sell, transfer, delegate or otherwise dispose of this Agreement or any right, duty or obligation under this Agreement without the Company's prior written consent. Nothing in this Agreement shall prevent the assignment by the Company of this Agreement or any right, duty or obligation hereunder to any third party.

**12. Injunctive Relief**

Consultant acknowledges that a violation of Article 5 or 6 would cause immediate and irreparable harm to the Company for which money damages would be inadequate. Therefore, the Company will be entitled to injunctive relief for Consultant's breach of any of its obligations under the said Articles without proof of actual damages and without the posting of bond or other security. Such remedy shall not be deemed to be the exclusive remedy for such violation, but shall be in addition to all other remedies available at law or in equity.

**13. Governing Law and Dispute Resolution**

This Agreement shall be governed by and construed in accordance with the laws of INDIA, without giving effect to any choice of law or conflict of law provisions and venue in the courts of High court in the city of Hyderabad.
