A REPORT ON GUEST LECTURE

Guest Lecture on Lasers: “Unconventional Carriers in Civil Engineering”

The Department of Civil Engineering, Vidya Jyothi institute of technology College of Engineering organized a Guest Lecture on “Unconventional Carriers in Civil Engineering” on 15th September 2015 at C Block seminar hall. The guest speaker was Mr. E.P. Srinivas Reddy, Hyderabad.

The event started with invocation song followed by a welcome address. The guest lecture was preceded by a short talk by the Director Dr. Venugopal Reddy and Dr. Pallavi Badry at VJIT. In his talk he emphasized the importance of Unconventional carriers & research for the developments of engineering applications with specific examples in the case of structures. The lecture started around 2:15 and ended around 3:45 PM. The lecture was received with admiration by the students and they also found the slides appropriate. The event ended with honorarium to the guests and vote of thanks.
