To,
Sir/ Madam,

Sub: National Level Two Day Seminar on "Grid Management" on 12th & 13th December 2013

We are glad to inform that EEE Department is organizing, a two day Seminar on "Grid Management" on 12th & 13th December 2013

There will be expert lectures from field engineers having rich experience in "GRID MANAGEMENT". Also there will be a field visit to State Load Despatch Centre where real time Grid Management can be studied.

This Seminar will be more useful for teaching faculty to acquire better practical concepts.

You are kindly requested to circulate this brochure among the faculty of your college.

You may please communicate the names of interested Faculty on or before 10/12/2013.

Your co-operation in this regard is greatly appreciated.

With kind regards,
Prof. S.M.ZAFARULLAH
