Dr. B Vijayakumar, Professor, Head of the Department, CSE **Editor-in-Chief** 

Well come to another issue of our department newsletter, "Discus" November 2018. I congratulate all the stakeholders for putting their efforts in getting NBA Accreditation. Like many of you I also began with some plans, such as developing of faculty, engaging department to make improvements to teach and mentoring, and refining our recruitment efforts by implementing outcome based education (OBE) and project based learning to ensure that we can compete for talented individuals from diverse backgrounds. The achievements of CSE Faculty and Students. New opportunities have been opened for our enthusiastic students to take part and build their career in current and in-demand technologies, like AI+ Club, JNTU sponsored R&D centre, virtusa polaris "train the trainee program" etc. Our Director Dr. P Venugopal Reddy encourages me to go ahead and was more than happy to support for the CSE department development. I constantly keep thinking of how I can grow my team's skills, and all faculty members excited by the idea and agreed without a second thought. We provide opportunity to the entire faculty to attend several different crash courses, workshop, FDP, seminars, certifications, Expert Lectures and professional society activities in and out of the institute to update them and teach in-demand skills in class room with their goals of improving and integrating quality. None of these is possible without the generous support of the entire CSE team; we have a large pool of highly experienced faculty members to act as a course coordinators and Project supervisors. Our Department also maintains a good track record of securing grants, having MoUs and conducting Professional society activities. To further enhance our research and consultancy activities, the department has proposed several new guidelines.

I thank you all for your support and contribution.
