

Vidya Jyothi Institute of Technology

Department of CSE

AY: 2020-21

Innovative Technique Implemented: Google Classroom (LMS)

Subject: Data Base Management System

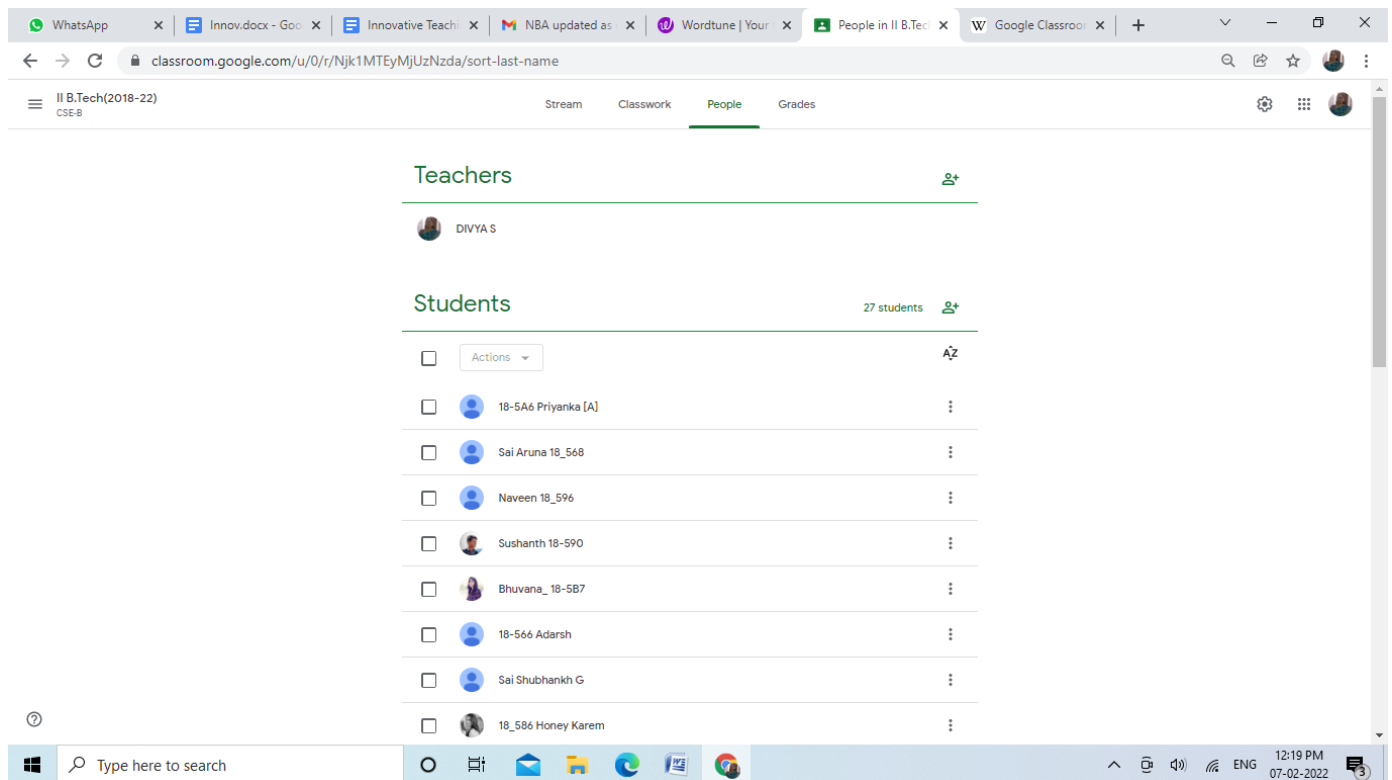

Name of the Faculty: S.Divya

Topic: Unit wise Material

Students: II-I B.Tech CSE-B

Implementation:

Google Classroom is a free [blended learning](#) platform that aims to simplify creating, distributing, and grading assignments. Students can be invited to join a class through a private "class code" jna45ss or be imported automatically from a VJIT domain. Teachers can create folder for each Unit and upload course material unit wise. Announcements can be posted by teachers to the class stream which can be commented on by students allowing for two-way communication between the teacher and students.
