

Vidya Jyothi Institute of Technology

Department of CSE

AY: 2021-22

Innovative Technique implemented: Online Quiz Mentimeter

Subject: Data Base Management Systems

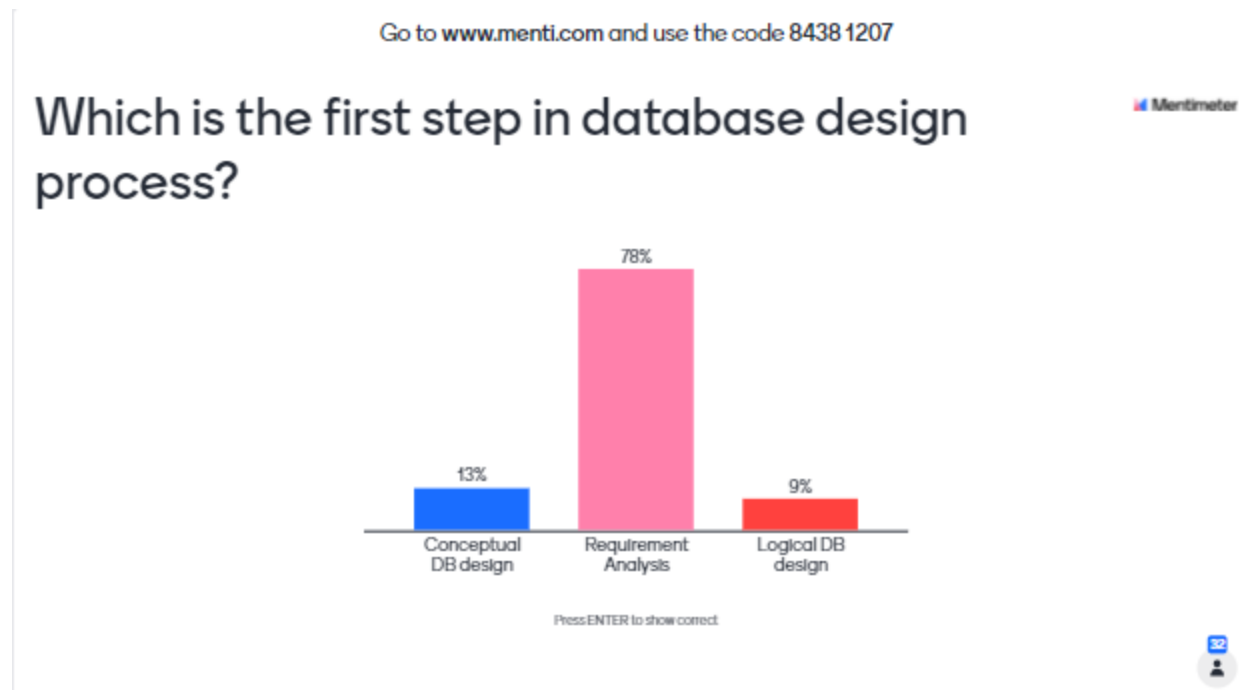

Name of the Faculty: S.Divya

Topic: Unit-I MCQ

Students: II B.Tech I-Sem CSE-C

Implementation:

Mentimeter is an interactive presentation tool that helps to engage students and enables every voice in a classroom or lecture hall to be heard. You can use it to gauge student comprehension, test knowledge retention or as a fun way to break up learning.

Go to www.menti.com and use the code 8438 1207

Name the three levels of view of data.
