Vidya Jyothi Institute of Technology Department of CSE AY: 2019-20

Innovative Technique Implemented: LMS (Canvas Instructure)

Subject: LINUX PROGRAMMING

Name of the Faculty: M.VIJAYA

Students: III-I B.Tech CSE-A

Implementation:

Canvas LMS is an open and reliable web-based software that allows institutions to manage digital learning, educators to create and present online learning materials and assess student learning, and students to engage in courses and receive feedback about skill development and learning achievement.

Canvas is a web-based learning management system, or LMS. It is used by learning institutions, educators, and students to access and manage online course learning materials and communicate about skill development and learning achievement.

Faculty upload unit wise notes, schedule quiz and assignment.
