Happy Women’s Day

“A strong woman stands up for herself. A stronger woman stands up for everyone else.”

I can’t find the words to express how I feel about women. Their strength and power, their ability to keep their heads up no matter what. I admire it on every possible level. Girls run the world, that’s the only thing I know for sure.

Happy Women’s Day!

WOMEN’S DAY CELEBRATIONS

Be a strong woman so your daughter will have a role model and your son will know what to look for in a woman when he’s a man.
