DATE, SESSION, TIMING AND DAY

BRANCH	DATE, SESSION, TIMING AND DAY						
	23.11.2022 FN (WEDNESDAY) 12:15PM to 01.45PM	24.11.2022 FN (THURSDAY) 10:30AM to 12:00PM	24.11.2022 AN (THURSDAY) 02:00PM to 03:30PM	25.11.2022 FN (FRIDAY) 10:30AM to 12:00PM	25.11.2022 AN (FRIDAY) 02:00PM to 03:30PM	26.11.2022 FN (SATURDAY) 10:30AM to 12:00PM	26.11.2022 AN (SATURDAY) 2:00PM to 3:30PM
CIVIL ENGINEERING	Environmental Science	Fluid Mechanics	Solid Mechanics– I	Professional Communication	Engineering Geology	Numerical Methods and Partial Differential Equations	Surveying & Geomatics
ELECTRICAL AND ELECTRONICS ENGINEERING	Environmental Science	Electronic Devices and Circuits	Network Analysis	Professional Communication	Electro Magnetic Fields	Complex Analysis & Fourier Transforms	Electrical Machines-I
MECHANICAL ENGINEERING	Environmental Science	Mechanics of Solids	Thermodynamics	Professional Communication	Production Technology	Numerical Methods and Partial Differential Equations	Materials Technology
ELECTRONICS & COMMUNICATION ENGINEERING	Gender Sensitization	Electronic Devices and Circuits	Probability Theory and Stochastic Processes	Professional Communications	Signals and Systems	Complex Analysis and Fourier Transforms	Object Oriented programming
COMPUTER SCIENCE & ENGINEERING	Gender Sensitization	Computer System Architecture	Data Structures	Python Programming	Mathematical Foundations of Computer Science	Probability and Statistics	Software Engineering
INFORMATION TECHNOLOGY	Environmental Science	Computer System Architecture	Data Structures	Python Programming	Mathematical Foundations of Computer Science	Probability and Statistics	Database Management Systems
ARTIFICIAL INTELLIGENCE	Gender Sensitization	Computer System Architecture	Data Structures	Essentials of Python	Mathematical Foundations of Computer Science	Probability and Statistics for Artificial Intelligence	Software Engineering
COMPUTER SCIENCE & ENGINEERING (DATA SCIENCE)	Environmental Science	Computer System Architecture	Data Structures	Essentials of Python Programming	Mathematical Foundations of Computer Science	Mathematical and Statistical Foundations	Managerial Economics & Financial Analysis
